- + Adjust font

Ramallah, December 27, 2012 Wafa – The Minister of Detainees and Ex-Detainees Affairs, Issa Qaraqe', denied on Thursday the news reports and rumors about converting the prisoners' wages to welfare payments.

In a statement to the press, Qaraqe' indicated that the prisoners receive their financial allowances in accordance with the rules and the law, and that their rights are protected and cannot be violated.

He also stated that the government, headed by Prime Minister Salam Fayyad, considers the case of the prisoners to be a fundamental case, and that it has approved rules and regulations to support and protect them in appreciation for their sacrifices and their struggle.

He added that the past few years have witnessed significant support from the government for all the rules and laws that protect the rights of the prisoners and their families, as well as the rights of the militant martyrs.

Qaraqe' asked the public to be vigilant when dealing with rumors and not to use the prisoners for narrow personal goals, as this has created confusion among the prisoners.
